FOOD FIESTA, CREATIVE ARTS & SKILLS DAY WAS A BLAST!

Great job to all the participants and thank you to all the businesses who
donated to the event!

COUNTYWIDE ROBOTICS PROJECT

The 4-H Council purchased the curriculum for the new Countywide Robotics Project. Upon review, there are many more items called a "Trunk of Junk" that will need to be purchased to run the Robotics project. At this time, the project is canceled until the exact cost per member is determined with the robotics activities listed in the manual. Look for a potential Countywide Robotics Project in the fall of 2016. Thank you everyone for your interest and patience. For more information or questions, contact Patricia Sims at sims_family4@yahoo.com.
