**Winter Animal Health Meetings**

Both meetings being held — February 21, 2014

There is no charge for the meeting thanks to our generous sponsors. Please return the RSVP by February 14, 2014 so we can get an accurate count for lunch in Willows or dinner in Cottonwood. Thank you!

For more information or to RSVP, call Tehama County Cooperative Extension at (530) 527-3101 or email jdavy@ucdavis.edu

Livestock and Range News is a newsletter published by the Farm Advisor’s office containing research, news, information, and meeting notices related to the areas of livestock production, irrigated pasture, range, and natural resource management.

For a color copy of this announcement visit the website at: http://cetehama.ucanr.edu/

In addition, the website has many UC publications and information on topics such as livestock, range, natural resources, pest control, and other agriculture and crop production areas.
