The University of California in accordance with applicable State and Federal law and University policy, does not discriminate on the basis of race, color, national origin, religion, sex, disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment. Inquiries regarding the University's nondiscrimination policies may be directed to the Affirmative Action Director, University of California, Agriculture and Natural Resources, 300 Lakeside Drive, 6th Floor, Oakland, CA 94612-3560. (510) 987-0096.

For a color copy of this announcement visit the website at: <http://cehama.ucanr.edu/>
In addition, the website has many UC publications and information on topics such as livestock, range, natural resources, pest control, and other agriculture and crop production areas

This is a joint program of the Livestock, Irrigated Pasture, and Range and the Irrigation and Water Resources extension programs in Tehama, Glenn, and Colusa Counties. Josh Davy is livestock, irrigated pasture, and range advisor. Allan Fulton is the irrigation and soils advisor. Both programs complement each other in helping irrigated pasture managers. The livestock, irrigated pasture, and range program works in grazing management, pasture planting and species selection, and weed control. The irrigation and soils program deals with irrigation systems and management, and broader water resources issues that may affect irrigated pastures. For information on both programs visit: <http://cehama.ucanr.edu/>.
