GLENN COUNTY COOPERATIVE EXTENSION NEWS FLASH

December 17, 2009

For Immediate Release

INTERESTED IN BECOMING A MASTER GARDENER?

UCCE, Glenn County is excited to announce a new program - The Glenn County Master Gardener Program. The purpose of the UC Master Gardener Program is to extend to the public research-based agricultural information, that has been verified by UC Experts, about home horticulture, pest identification, landscape management and other environmental and natural resource issues. Master Gardeners will extend agricultural information to the community by giving talks and demonstrations, staffing phone help-lines in the Glenn County UCCE office, helping to collect data for UC researchers, and much more. The Master Gardener training classes start very soon, therefore, if you are interested in this notable program, please contact James Sigala, Program Representative, UC Statewide Master Gardener Program, at jsigala@ucdavis.edu , or (530) 865-1261, by 01/08/2010.
