Drought Workshop Offered:

What You Can Do About Your Yard During the Drought

Are you concerned about the plants in your garden and yard? What is the best way to allocate and use the limited amount of water you have? How can I save my trees?

These questions and others will be answered at a Drought Workshop offered by the UC Master Gardeners of Glenn County. The workshop will focus on the critical issues of water management in the home landscape.

Topics covered include:

- How to take care of the landscape you have
- How to replace your lawn
- All about mulch
- Options for drought tolerant plants
- Efficient irrigation

The workshop is being offered on two separate dates and locations:

Tuesday, **July 21, 2015** at Carnegie Library, 912 Third Street, Orland at **6:00 PM**

Wednesday, **July 29, 2015** at the Willows Public Library, Eubanks Room, 210 North Lassen Street, Willows at **6:00 PM**

Representatives from Cal Water and Orland Public Works will be available for questions.

The workshop is open to the public free of charge; no pre-registration necessary.
