

NORTH VALLEY DAIRY DAY

TUESDAY, FEBRUARY 3, 2009

Attend North Valley Dairy Day to get valuable information on money saving dairy management strategies and important information that applies to all dairies — big or small.

SAVING MONEY IN TOUGH TIMES - Management Strategies

Using Rice Straw in Dairy Replacement Heifer TMRs - Glenn Nader, Farm Advisor, Yuba/Sutter Counties

Pasture Management for Dairy Quality Feed - Josh Davy, Livestock Program Rep., Tehama/Glenn/Colusa Counties

Reducing (Legal!) Drug Use on Dairies - Mike Karle, DVM, Mid-Valley Veterinary Hospital

CURRENT ISSUES - What's on the Horizon?

What to Expect From the New Rendering Rule - Michael Payne, Ph.D., DVM, UC Davis School of Veterinary Medicine and California Dairy Quality Assurance Program

Implications of Prop 2 on Dairy Calf Welfare - What's Next? - Carolyn Stull, Ph.D., UC Davis Veterinary Medicine Extension
