GLENN COUNTY COOPERATIVE EXTENSION NEWS FLASH

May 10, 2007

HANDS-ON OLIVE FLY WORKSHOP

Who should attend: Olive Growers, especially if you have less than 500 trees.

When: May 22, 2007, 4:00 to 6:00 p.m.

Where: John Erickson's olive orchard, south of Road 24 and west side of Road M. Park at edge of orchard.

Topics covered:

- How to identify the olive fruit fly.
- How to assemble a sticky trap. Sticky traps will be available at no charge to take home.
- How to make an Olive trap (bring your own 1 liter bottle).
- Mass trapping for olive fly control.
- How to mix, load and apply GF-120 (Spinosad) with a hand-can, backpack sprayer or a 4-wheeler. The pesticide and sprayers will be available for demonstration.
- Surround sprays for olive fly control

Who to contact if you have questions:

Jean Miller (934-6501), Ernie Simpson (865-9829) or Bill Krueger (865-1107).
