GLENN COUNTY COOPERATIVE EXTENSION NEWS FLASH

August 26, 2004

Submitted by Bill Krueger, County Director

Glenn County Cooperative Office Hours Change

In an effort to minimize the effects of budget cuts to the Glenn County Cooperative Extension office, we have revised the office hours to better serve the public.

Because department funding is below the level needed to operate normally, our office will only be open to the public from 8:00 a.m. - 11:30 a.m. and 1:30 p.m. to 5:00 p.m., Monday through Thursday beginning August 30th. We will continue to be closed on Friday. These hours will continue as long as needed depending on the future state of county budgets.

We would like to remind you the office will no longer be able to sell rat and squirrel bait to North County residents on behalf of the Glenn County Ag. Commissioner.

We look forward to returning our service level to normal operations as soon as possible.
