A message from the 4-H Program Representative:

I have always told my fellow colleagues that the Glenn County 4-H program has the greatest volunteers anywhere. Whenever a situation arises where an event, project or even a club may be dropped because of lack of leadership, someone always steps up to the plate and takes the task over. With today's current budget situation, this is going to have to be the case more and more often. There is a possibility that the position of Program Representative may not be available. The program has felt some of the effects of this already with the position's hours being reduced. This is a time where, unfortunately, the leaders and parents are going to have to carry even more of the load. The problem I am finding is that the leaders who have been doing this for a very long time need a break and need more help. Please consider taking on the role of chairperson, lead a project (so that one leader may not have to lead two or three), volunteer to help set up or clean up at an event. Don't just say that I'm working or I'm busy with my children's events. If everybody said that, we wouldn't have a program. We don't want to lose what we have all worked so hard for. Remember, when there is a need for some help not only are your children benefitting when you help, but so are you. It is very rewarding to know that you have made a difference in a child's life.

National 4-H Week

October 5th - 11th

Any 4-H club or group that plans to have a window display or activity during National 4-H Week (**Oct. 5th - 11th**) needs to contact the 4-H Office as to where the display or activity will be by **September 26th** in order to

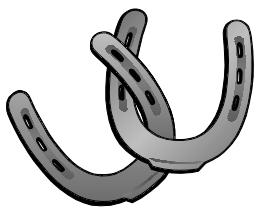

be judged. Again this year, there will be a first place award of \$100.00 and a 2nd place award of \$50.00. The awards will be paid by the 4-H Council.

Corn Maze Work Day

Country Pumpkins is once again offering each 4-H club the opportunity for a fundraiser by working at the Corn Maze. In return, they would like each club to send as many workers as possible to the Corn Maze Work Day on **Saturday, September 27th**, beginning at 8:00 a.m. Please wear work clothes and bring shovels, hoes, rakes, drinking water, etc.

Glenn Co. 4-H Fall Horse Show

Attention 4-H Horse Members! Mark your calendars for **October 11, 2003** for a Glenn County 4-H Horse Schooling Show at the Orland Fairgrounds. Registration will begin at 8:30 a.m. This show will have English, Western and Gymkhana events. There will be several age groups (novice, junior, senior & open). This show is designed to be a learning show with lots of FUN! Participation at this show will be open to Glenn, Tehama, Shasta, Colusa, Lake and Butte County 4-H members. This show is for any 4-H horse member that is enrolled for the 2003-2004 4-H year in Glenn County or any of the surrounding counties. Please remember to sign up! Registration forms for this event will be available at the 4-H Office. If you have any questions, you can contact Lynn Gustafson at 865-9029 or Staci Buttermore at 865-3504.

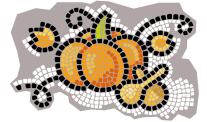

Community Resource Fair

The Community Resource Fair will be held on **Saturday, October 4th**, at the Glenn County Fairgrounds. This is a good outreach effort for any club or project. Please contact the 4-H Office if you think you might want to be part of this great community event.

Harvest Festival

The Harvest Festival Committee contacted the 4-H Office and was hoping that the Glenn County 4-H program would be represented at the Harvest Festival **October 18th & 19th**. You could either have a food booth or an informational booth. Contact Becky Brummet at 865-2363 if you are interested in participating.

Also, anyone wishing to help at the Pumpkin Patch or with games, or as a greeter at the gate during the Harvest Festival please contact the 4-H Office.

Make a Difference Day

Make a Difference Day is the nation's largest day of doing good. Americans are asked to devote the fourth Saturday of October (**October 25th**) to helping others. It is a day where organizations (such as 4-H) join together to clean up their communities, mentor children, repair parks or community facilities, help the elderly and touch many lives.

This would be a good time for any of our local 4-H Clubs to do a community service. One way that your club could help many others, besides the obvious projects, would be to have a contest to see who could put together the most teams for the United Way Bowl-A-Thon. The money earned from that event goes back to the people in need from our local communities.

Farm Bureau Membership Dinner

For the last several years the Glenn County Farm Bureau has offered our program the fundraiser opportunity of preparing their membership dinner for them. They are once again doing that this year. This was brought up at the August Council Meeting and no one there was able to chair this event. This is an event that is fairly easy to prepare for. There is usually less than 100 people served and the meat will already be cooked for us. Last year we made roughly \$725.00. Please considered chairing this event! The date of the event is **Friday, November 7th**. Contact the 4-H Office for more details. We need to let the Farm

Bureau know as soon as possible or they will have to offer this to another organization.

<http://fourh.ucdavis.edu/>.

Teen Council Looking for any Interested Teens

Under the guidance of Leader Sheri Hughes, last year the Teen Council did some wonderful community service projects, such as: Trick or Treat Canned Food Drive, Shopping & wrapping gifts for the Council's Adopt-A-Family, Putting on a Teen Dance, Conducting the Petting Zoo at the Farm Bureau Farm Day, Organizing the Fair Clean up Day. They did all of these things with a very low membership. This year they would like to do even more things. Please come join us the third Monday of every month at 6:00 p.m. We either meet at the 4-H Office or at Murdock School. It depends on where the Council meeting is held that month. We meet right before the regular Council meeting. This counts as another 4-H project in your record book and a good way to give back to your community.

Leaders, Are you in Need of Some New Curriculum?

The newly appointed curriculum committee will be making decisions as to what curriculum to purchase for the year. Please contact the 4-H Office and make your requests. Be specific. We will need as much information as possible about catalogs, order forms, etc. We will be meeting some time in late September or early October, so get those requests in now. It does not have to be just strictly curriculum, you may also request certain supplies/tools that we can keep in our inventory and be checked out.

WHY Conference 2003

This year the WHY Conference will be held **September 26-28, 2003**, at Camp Tehama. The conference is for youth grades 7 - 12 to learn, have fun & meet new friends. Registration deadline is September 22, 2003. The cost is \$27.00 for camp & \$6.00 for t-shirt (optional). Adult chaperones are needed! Each county must provide one adult for every 8 participating youth. For more information, please call the 4-H Office at 865-1107.

2003 California 4-H Leaders' Forum

The 2003 California 4-H Leaders' Forum: "Change the World" is being held **November 7-9, 2003** at the Asilomar Conference Center by Monterey. Information and on-line registrations are available at

Club Achievement Nights

There will not be a specific night assigned to each club for their Achievement Night. Each club can decide which date is best for them. The All Stars, their Advisors and the 4-H Program Representative will not be conducting the programs this year. This is due to us having one big countywide awards program and shortage of staff time, etc. Let the office know ahead of time the number of year pins and stripes, etc. needed for your Achievement Night.

Veterinary Science Projects

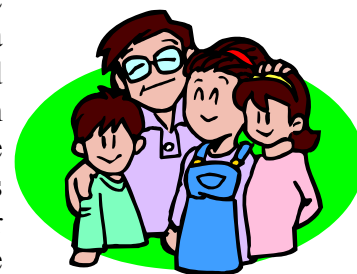

There is a sign-up list in the 4-H Office for Veterinary Science. There will be a beginner and an advanced project. Meetings will be held on the second Thursday of the month beginning in October. You will need to contact the 4-H Office to reserve a space or to find out more information.

Is The Spirits Project For You?

If you are a 4-H member in Glenn County you can join the SPIRITS Project. The goal of this project is to organize activities of interest for challenged individuals of all ages. You will need to be in 6th grade or above to participate in this project. The Spirits Project meets twice a month. One meeting is to plan the activity of the month for the disabled/handicapped guests, the other meeting is the actual activity. Some of the activities have included: bowling, movie nights, sports, games, holiday parties and pizza parties. This is a great chance to have a lot of fun and meet new people at the same time! If you would like to participate, please contact the 4-H Office.

Volunteer Enrollment

The 4-H Youth Development Program of the University of California is committed to providing a safe environment for young people involved in Cooperative Extension activities. All volunteer leaders are required to fill out a leader enrollment card (each year), be fingerprinted for a background check and attend an orientation meeting (done one time only, unless there is break in service). After completing these

requirements satisfactorily, a leader appointment card will be issued. *Any parent who volunteers to chaperone at an event (including 4-H camp) **must sign-up as a 4-H leader and go through the above process prior to the event.***

We are asking each of you to recruit one new leader. We know everyone is busy with school, church, etc., so encourage them to take the team approach. Two or three leaders can share the six hour minimum project requirement, making their time commitment for a project not as demanding. Without our volunteer leaders, the projects available will decrease and so will our enrollment. Let's all help to keep our youth in Glenn County involved, off the streets and not idle. Also, please remember that all facility use agreements/contracts (for use of school, city, county, state & private facilities) entered into by anyone in the 4-H Program must be sent to the 4-H Office for review and can only be signed by the County Director.

4-H and Fundraising

All 4-H units, including clubs, project groups, Teen Council and All Stars, must submit a viable plan before doing any fundraising in the name of 4-H. Contact Deanna Rogers, 4-H Program Representative, for approval of your 4-H fundraising ideas. Ask yourself... Does the fundraising effort support the educational goals of 4-H? Why are you raising the funds? How will you recognize those who support you? 4-H staff will be recording all fundraising efforts to determine the impact 4-H has on the community, to avoid duplicate requests, and to assure fiscal responsibility. We want 4-H to continue to have a positive reputation within our community.

2004 National 4-H Conference

Applications for the 2004 National 4-H Conference are available for youth (ages 15 - 29), volunteers (ages 21 and up), and 4-H YDP Staff. State 4-H Office Fall Training Series

The California State 4-H Office is hosting a fall training series open to both staff and volunteers. The purpose of these workshops is to support leaders and staff members in building a stronger program by modeling activities and providing tools to support our newly launched mission. It will run from 10:00a.m. -2:30 p.m. If you are interested, please contact the 4-H Office.
