# GLENN COUNTY COOPERATIVE EXTENSION NEWS FLASH

March 24, 2014

## **Glenn Master Gardeners Offer Spring Garden Expo in Willows**

The Glenn County Master Gardener Program is holding a “Spring Expo” of gardening information and demonstrations on Saturday, April 5, 2014, at Redwood Springs Gardens in Willows from 10:00 a.m. to 1:00 p.m. This event will include workshops on “Drought Tolerant Landscaping”, “Vertical Gardening”, and “Straw Bale Gardening”. Information will also be made available on water conservation for the home vegetable garden, keeping landscape plantings alive under drought or water restrictions, and other drought-related topics. The entrance fee for the Expo is \$10.00. Redwood Springs Gardens is located at 1769 County Road FF (one-half mile west of Wal-Mart) in Willows.

The goal of the Glenn County Master Gardener Program is to extend to the general public research-based information verified by University of California experts about home horticulture and pest management. Workshops and classes are offered year-round through the California Master Gardening Program. Glenn County residents are encouraged to call or visit the plant clinic offered at the University of California Cooperative Extension Office in Orland (in the courthouse building on Co. Rd. 200) on Wednesday afternoons from 2:00 p.m. to 4:00 p.m. Further information on the “Spring Expo” or other gardening topics is available at (530) 865-1107. Pre-registration is available at <http://ucanr.edu/2014springexpo>.
