Million Pillowcase Project

Are you looking for a service project? Check out <http://www.allpeoplequilt.com/> and click on the links to

the Million Pillowcase Project. The project lasts through December 2010. The basic pattern is the easiest and is suitable for beginning sewers. Countywide Avian Project

The first countywide avian project meeting will meet **Monday, September 27, 2010, 7:00 p.m.**, at the 4-H Office. In order to sell fryers at the fair, you do not have to own any chickens now. The fryers are bought 5 weeks before fair. In 5 weeks, they can gain 5 pounds. You only need a pen about 4'x6' to raise them and they don't get old enough to crow. They are a great project if you live in town. Since you don't have to train them and they take little care, they are a good project for busy and/or younger members. The Avian Project includes anything with feathers, so cagebirds (parakeets, cockatiels, parrots, etc.), gamebirds (doves, pheasants, pigeons, turkeys) and waterfowl (ducks & geese) are included. If you have any questions, please call Valerie Drodgy at 865-2098.
