WILDLIFE AND THE ENVIRONMENT

A Holistic Approach to Land Management

20th Annual Stewardship Day

Hosted by Burrows Ranch

Sponsors: Sunflower CRMP, Tehama County RCD and UC Cooperative Extension

Saturday, May 5, 2007 - 8:30 a.m. to 4:00 p.m.

A hands-on look at environments that support deer and other wildlife and at the same time provide for quality of life, profit, and improved watershed management for all landowners and citizens of the area.

Demonstrations, observation trails, conservation easements, animal behavior, goats and sheep as a “tool for management”, and more will be presented and observed.

A goat and sheep BBQ lunch (\$7 donation per adult, children under 12 free, or BYO), and a hayride through the 40,000 acres Sunflower Resource Management Plan (CRMP) will be the highlight of the day. Drinks will be provided.

Meet at the Burrows Ranch at 8:30 a.m. for registration.

Call 529-1535 for instructions to the Burrows Ranch.
