SAVE THE DATE! IT'S ALMOST TIME TO JOIN 4-H

4-H, one of America's largest non-formal education programs for youth, makes a major contribution to our nation by helping youth acquire knowledge and develop life skills that help them become self-directed, productive and contributing members of our society. 4-H will be holding its first ever 4-H Round Up Event at the Glenn County Fairgrounds on **Sunday, September 7**, from 10:00 a.m.- 2:00 p.m. The 4-H Round Up Event is an event to showcase several of the different projects available to members and offer an open forum for questions about the 4-H Program. Come for the duration of time and test out the projects to see if it is the right fit for you!

If you are in grades Kindergarten through 12th grade, you are invited to come join a Glenn County 4-H Club. There are 9 clubs located throughout the county. You may take a variety of all types of different projects. Some projects include sewing, sheep, quilting, horse, foods, swine, beef, scrapbooking, goats, leathercraft, rabbits, tractor mechanics, and woodworking to just name a few of the many projects offered throughout the county.

REMEMBER.... You must be enrolled in a 4-H club by **Monday, September 29, 2014**, if you wish to participate in the 2015 Glenn County Fair as a 4-H member. If you have any questions or would like more information about the 4-H program mailed to you, please call the Cooperative Extension Office at 865-1107 or enroll online at <https://ca.4honline.com>.
