A 4-H Round Up Event Announced....4-H Has So Much To Offer

The University of California 4-H Youth Development Program engages youth in reaching their fullest potential while advancing the field of youth development. The '4-H Round Up' event is a new event where youth will have opportunity to learn about Glenn County 4-H Clubs' activities and projects offered. At this event, adult volunteer leaders, junior and teen leaders offer hands-on learning examples of what their project entails. We encourage youth and adults to sign up and get involved. The event will take place on Sunday, September 13, 2015 at the Glenn County Fairgrounds starting at 10:00 a.m - 2:00 p.m. The event is free and the public is cordially invited. We hope to see you there! If there are any vendors that serve the 4-H youth population with supplies or services that are interested in having a booth, please contact the UCCE Office at (530)865-1107.
