John Roncoroni, UCCE Weeds Advisor, Napa Co.

Drift management: Droplet size, weather conditions, & droplet release height
Lynn Wunderlich, UCCE Farm Advisor, Central Sierra Region

Come back together, final comments

Adjourn at 12:30

Directions:

Sutter Co location (November 12)

- Take Hwy 99 to Wilson Rd traffic light (2.3 miles S of Hwy 99 x Hwy 113 intersection)
- Exit to the East
- Look for yellow signs directing you to field site

Colusa Co location (November 14)

From the south...

- Take Hwy 5 N to County Line Rd Exit
- Exit there and turn right at stop sign.
- Take left (north) turn at old Hwy 99 and travel north parallel Hwy 5
- Drive 3.2 miles to Green Bay Rd. Turn left (west)
- Proceed 2.75 miles along Green Bay Rd until you arrive at Nickels Soil Lab

From the north...

- Take Hwy 5 S to Arbuckle exit
- Exit there and turn left at the bottom of the exit ramp. Cross Hilgate Rd and continue south. Pierce High School is on the left.
- Make 2x 90 deg turns less than a mile south of the high school on Wildwood Rd.
- Drive 2.3 miles south (after the last 90 deg turn) on Wildwood to Green Bay Rd.
- Turn right on Green Bay Rd. (west)
- Proceed 0.9 miles west along Green Bay Rd until you arrive at Nickels Soil Lab
