

Mechanical Harvest Field Meeting

When: Thursday, October 11th, at 10:00 am
Where: The Nickels Soils Laboratory in Arbuckle
(see map)
What: Mechanical Harvest Field Meeting which
will include:

Discussion of Ongoing Research

Louise Ferguson, UC Olive Specialist

Jackie Burns, University of Florida Loosening Agent Researcher

Planting and Training Trees for Mechanical Harvest

Bill Krueger, UCCE, Glenn County

Harvester Demonstrations

Coe Harvesters and Erick Nielsen Enterprises

Come and hear about ongoing mechanical harvest research and see 6 year old trees that have been trained specifically with mechanical harvest in mind. At least two types of trunk shake type harvesters will be demonstrated on these specifically prepared trees.
