THE "SPIRITS" PROJECT

For youth in 6th grade and above, 4-H members organize and provide activities throughout the year for the mentally and physically challenged members of our community. They are always looking for new ideas or areas to target. The leader for this project is Robin Hogan. If you are interested in this project, join 4-H and lend a helping hand. Contact the 4-H Office at 865-1107 for more information.
