Make a Difference Day

Make a Difference Day is the nation's largest day of doing good. Americans are asked to devote the fourth Saturday of October (**October 29th**) to helping others. It is a day where organizations (such as 4-H) join together to clean up their communities, mentor children, repair parks or community facilities, help the elderly and touch many lives. This would be a good time for any of our local 4-H Clubs to do a community service.

Club Achievement Nights

There will not be a specific night assigned to each club for their Achievement Night. Each club can decide which date is best for them. The All Stars, their Advisors and the 4-H Program Representative will not be conducting the programs. Let the office know ahead of time the number of year pins and stripes, etc. needed for your Achievement Night.

IMPORTANT 4-H INFORMATION

4-H Uniform Exchange

Our supply of white shirts and pants is dwindling. If you have outgrown whites, please bring them by the 4-H Office to be used in our uniform exchange for next year.

Teen Council Looking For Any Interested Teens

Under the guidance of Leader Sheri Hughes, last year the Teen Council did some wonderful community service projects, such as: shopping & wrapping gifts for the Glenn Co. 4-H Council's Adopt-A-Family Project, conducting the Petting Zoo at the Farm Bureau Farm Day, organizing the Fair Clean-up Day. This year they would like to do even more things. The next meeting is **Thursday, September 15th, 7:00 p.m.** at Round Table Pizza, Willows. This would count as a 4-H project in your record book and a good way to give back to your community. Please contact Sheri Hughes at 934-7680 if you are interested.

Volunteer Enrollment

The 4-H Youth Development Program of the University of California is committed to providing a safe environment for young people involved in Cooperative Extension activities. All volunteer leaders are required to fill out a leader enrollment card (each year), be fingerprinted for a background check and attend an orientation meeting (done one time only, unless there is a break in service). After completing these requirements satisfactorily, a leader appointment card will be issued. Any parent who volunteers to chaperone at an event (including 4-H camp) must sign-up as a 4-H leader and go through the above process prior to the

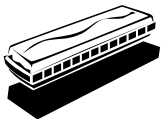

event. If you are a volunteer and are not having project this year but will be returning next year, you may want to keep your enrollment current so you won't need to go through the entire process next year.

We are asking each of you to recruit one new leader. We know everyone is busy with school, church, etc., so encourage them to take the team approach. Two or three leaders can share the six hour minimum project requirement, making their time commitment for a project not as demanding. Without our volunteer leaders, the projects available will decrease and so will our enrollment. Let's all help to keep our youth in Glenn County involved, off the streets and not idle. Also, please remember that all facility use agreements/contracts (for use of school, city, county, state & private facilities) entered into by anyone in the 4-H Program must be sent to the 4-H Office for review and can only be signed by the County Director.

New Projects Offered For 2005-2006

Are you interested in Organic Gardening, Electrical Wiring, Small Engines, Country Dance or how to play Harmonica? If you are, then please call into the 4-H Office and let us know which project you might like to take next year. We have a leader that has volunteered to teach one or more of these subject areas. He will offer the projects that have the most interest shown. Call the 4-H Office **today** to let us know if you are interested in one or more.

4-H and Fundraising

All 4-H units, including clubs, project groups, Teen Council and All Stars, must submit a viable plan before doing any fundraising in the name of 4-H.

Contact Deanna Rogers, 4-H Program

Representative, for approval of your 4-H fundraising ideas. Ask yourself... Does the fundraising effort support the educational goals of 4-H? Why are you raising the funds? How will you recognize

those who support you? 4-H staff will be recording all fundraising efforts to determine the impact 4-H has on the community, to avoid duplicate requests, and to assure fiscal responsibility. We want 4-H to continue to have a positive reputation within our community.

Vet Science Project is Back!

That's right, the vet science project will be offered this year. Dr. Mike Karle will once again be the leader for this great project. Meeting dates and times have not yet to been determined. If you are interested in taking this project, please enter it on your 4-H enrollment form and call the 4-H Office, as there will be a limited amount of spaces available and it will be on a first come first serve basis. 4-H members must be 5th grade or above. Advanced Project members must have completed the Beginner Project.

Countywide Avian Project

In order to sell fryers at the fair, you do not have to own any chickens now. The fryers are bought 5 weeks before fair. In 5 weeks, they can gain 5 pounds. You only need a pen about 4'x6' to raise them and they don't get old enough to crow. They are a great project if you live in town. Since you don't have to train them and they take little care, they are a good project for busy and/or younger members. The Avian Project includes anything with feathers, so cagebirds (parakeets, cockatiels, parrots, etc.), gamebirds (doves, pheasants, pigeons, turkeys) and waterfowl (ducks & geese) are included. The first project meeting is **Monday, September 26th**, 7:00 p.m., at the 4-H Office. If you have any questions, please call Valerie Drodody at 865-2098 or Rex Clark at 865-3912.

Capay 4-H Club Meeting

The Capay 4-H Club will meet on **Monday, September 12th**, 7:00 p.m. at Capay School. There will be a new member meeting prior to the regular meeting at 6:30 p.m. New members will complete their enrollment forms and receive information on being a 4-H member. If you have any questions, please call Carol Zuppan at 865-7966.
