## Make a Difference Day

Make a Difference Day is the nation's largest day of doing good. Americans are asked to devote the fourth Saturday of October (**October 24, 2009**) to helping others. It is a day where organizations (such as 4-H) join together to clean up their communities, mentor children, repair parks or community facilities, help the elderly and touch many lives. This would be a good time for any of our local 4-H Clubs to do a community service.

## Emerald Star Project Opportunity

Are you interested in earning your Emerald Star? The Emerald Star is awarded after successful completion of an application, approval by Council, and carried out by the member. It is a community-service oriented project. For more information on an Emerald Star Project, please go to <http://ucce.ucdavis.edu/files/filelibrary/827/28325.pdf>. # IMPORTANT 4-H INFORMATION

## Memorial Scholarship Fund

Did you know that each year the Glenn County 4-H Council awards several scholarships to graduating seniors? This is done in part by donations that the Council receives from organizations, personal gifts and in memory of a lost one. If you would like more information on our scholarship fund, please contact the 4-H Office.

## 4-H National Youth Science Day

On 4-H National Youth Science Day, **October 7th**, young people across the nation will get a chance to examine one of the most important issues facing our nation today, energy. Youth will discover, learn and have a blast exploring alternative fuels through Biofuel Blast, the National Science Experiment. Developed in conjunction with the

University of Wisconsin-Madison Extension and Wisconsin 4-H, the experiment is designed to spark an early interest in the sciences-all part of 4-H's bold goal to engage a million new young people in science, engineering and technology programs by 2013. You can find everything you need to participate in 4-H National Youth Science Day online at [www.4-H.org/NYSD](http://www.4-H.org/NYSD). The site has lots of useful information, including the experiment facilitator's guide, interactive tools, event planning kits and much more. Plus, new features, information and promotions will be added in the months and weeks leading up to October 7th. Make sure to register to receive event updates today. We're looking forward to another successful 4-H National Youth Science Day!

## A Theme Is A Theme Is A Theme ...

The Glenn County Fair is sponsoring a contest to select its theme for the 2010 Fair which will run from **May 19 through May 23**. The Fair is looking for a theme that is "catchy", can be used to decorate the grounds, represents the Fair's

The Fair will award \$50.00 cash to the person submitting the winning theme and will provide two (2) season tickets to the Fair and one book of Carnival ride coupons. He or she will be introduced at the beginning of the Miss Glenn County Pageant and will be given the cash award at that time.
