

GLENN COUNTY FAIR MAY 13-17, 2009

“Sow It, Grow It & Show it”

The 2009 Glenn County Fair is fast approaching. It is scheduled for May 13-17, 2009, and this year's theme is “Sow It, Grow It & Show It.” Keep your eyes open for this section of the Roundup for all your fair information.

“Zero Tolerance” Policy

Glenn County Fair, in conjunction with local law enforcement agencies, has adopted a “Zero Tolerance” policy. This policy says simply, any minor caught drinking an alcoholic beverage, in possession of an alcoholic beverage, or giving alcohol to other minors will be arrested, turned over to the local police department and prosecuted to the extent of the law. Youth exhibiting at the fair will be dismissed from the grounds with their livestock. They will not be eligible to exhibit, sell or collect any awards or premiums.

Fairgrounds Vehicle Restriction

Each exhibitor will be issued a vehicle “Feeding Pass”, at no cost, that will allow your vehicle entry onto the Fairgrounds each day of the fair from 6:00 a.m. - 10:00 a.m. to feed and care for your animals and to perform other husbandry duties. At 10:00 a.m. all vehicles must be off the fairgrounds property. Vehicles with “Feeding Passes” must leave the grounds through Gate E, the Livestock Gate, by 10:00 a.m. Vehicle/exhibitors who have purchased a “Parking Pass” for \$25 shall move their vehicles to the Livestock Parking Lot west of the livestock barns. **Vehicles that remain on the Grounds after 10:00 a.m. are subject to “towing” at owners expense and can be towed without notice. There will be one vehicle pass per family.** For more details, please refer to the premium book.

Join The Glenn County Fair Parade

Glenn County Fair Parade will be on **Saturday, May 16, 2009**, at 10:00 a.m. Parade entry deadline is May 8, 2009. The cost is \$25 per entry. For more information or an entry blank, contact the Orland Chamber of Commerce, 722 Papst Ave., 865-2311.

Animals & Drugs: Take Note!

If you are bringing an animal to the Glenn County Fair – remember that no unauthorized chemicals can be used which would cause the carcass to fail USDA and Food & Drug Administration standards. This *also includes* the use of steroids! Be sure that the withdraw time required of any medication, including medicated feed or pesticides are followed. If drug residue is detected, you can be liable to the buyer for an amount equal to **three times the purchase price** and may also be liable for **attorney's fees and civil penalties**.

Wild Animal Policy

You may be asked to remove your animal from the grounds by agreement of the Fair Manager and Livestock Superintendent, if you are unable to control your animal at the fair. For the safety of fair goers and exhibitors, it is mandatory that you can control your animal.
