## **Bring The World Home!**

The California 4-H Youth Development Program coordinates a month-long Japanese Exchange Program. The state office is currently seeking host families for Japanese youth ages 12 - 16. This summer activity offers an excellent opportunity for families to learn more about Japanese culture and gain a new friend from across the Pacific. Students will be placed with host families, who have a child the same gender and close in age, from July 22 to August 18, 2009. Families do not have to be currently enrolled in 4-H, but must enroll to participate. More information is available at: <http://www.ca4h.org/exchange/japanese/index.asp> or by contacting Pat English at [pnenglish@ucdavis.edu](mailto:pnenglish@ucdavis.edu) or 530-754-8520.
