IMPORTANT 4-H INFORMATION

4-H Cookbook Fundraiser

Coming for the holidays is our very own Glenn County 4-H Cookbook. We will be selling them for \$10.00. It will be a fundraiser for the clubs as well as the 4-H Council.

This is the last call for recipes to be included. Please submit those recipes to drogers@ucdavis.edu, mail to P.O. Box 697, Orland, CA 95963, or drop them off at the 4-H Office, 821 E. South St., Orland, before **October 2, 2006**.

Memorial Scholarship Fund

Did you know that each year the Glenn County 4-H Council awards several scholarships to graduating seniors? This is done in part by donations that the Council receives from organizations, personal gifts and in memory of a lost one. If you would like more information on our scholarship fund, please contact the 4-H Office.

Volunteer Enrollment

The 4-H Youth Development Program of the University of California is committed to providing a safe environment for young people involved in Cooperative Extension activities. All volunteer leaders are required to fill out a leader enrollment card (each year), be fingerprinted for a background check and attend an orientation meeting (done one time only, unless there is break in service). After completing these requirements satisfactorily, a leader appointment card will be issued. Any parent who volunteers to chaperone at an event (including 4-H camp) must sign-up as a 4-H leader and go through the above process prior to the event. If you are a volunteer and are not having project this year but will be returning next year, you may want to keep your enrollment current so you won't need to go through the entire process next year.

We are asking each of you to recruit one new leader. We know everyone is busy with school, church, etc., so encourage them to take the team approach. Two or three leaders can share the six hour minimum project requirement, making their time commitment for a project not as demanding. Without our volunteer leaders, the projects available will decrease and so will our enrollment. Let's all help to keep our youth in Glenn

County involved, off the streets and not idle. Also, please remember that all facility use agreements/contracts (for use of school, city, county, state & private facilities) entered into by anyone in the 4-H Program must be sent to the 4-H Office for review and can only be signed by the County Director.

Teen Council Looking For Any Interested Teens

Teen Council Looking For Any Interested Teens

Under the guidance of Leader Sheri Hughes, last year the Teen Council did some wonderful community service projects, such as: shopping & wrapping gifts for the Glenn Co. 4-H Council's Adopt-A-Family Project, conducting the Petting Zoo at the Farm Bureau Farm Day, organizing the Fair Clean-up Day. This year they would like to do even more things. The next meeting is **Wednesday, September 20, 7:00 p.m.** at 4-H Office, Orland. This would count as a 4-H project in your record book and a good way to give back to your community. Please contact Sheri Hughes at 934-7680 if you are interested.

4-H and Fundraising

All 4-H units, including clubs, project groups, Teen Council and All Stars, must submit a viable plan before doing any fundraising in the name of 4-H. Contact Deanna Rogers, 4-H Program Representative, for approval of your 4-H fundraising ideas. Ask yourself... Does the fundraising effort support the educational goals of 4-H? Why are you raising the funds? How will you recognize those who support you? 4-H staff will be recording all fundraising efforts to determine the impact 4-H has on the community, to avoid duplicate requests, and to assure fiscal responsibility. We want 4-H to continue to have a positive reputation within our community.

Statewide 4-H Cultural Awareness and Education Task Force

The new Statewide 4-H Cultural Awareness and Education Taskforce is seeking interested volunteers and 4-H members. One purpose of the taskforce is to increase awareness and knowledge of staff and volunteers in the areas of: linguistic, economic, cultural, gender, age, and racial diversity within California and develop a statewide plan of action. Our first step will be to conduct an organizational assessment, and other goals will be identified by committee members. The group will meet a minimum of three (3) times this upcoming program year, starting in October. If you are interested, or would like to refer someone to this taskforce, please contact Mignonne Pollard at mypollard@ucdavis.edu or (530) 754-8517 by **September 5, 2006**.

CLUB & PROJECT NEWS

Countywide Tractor Project Offered

Bill Payer, Sr. would like to invite all 4-H members to join the countywide tractor project. The first meeting date has not yet been scheduled. A parent/guardian must attend this first meeting to complete some necessary forms. If you have any questions, please contact Mr. Payer at 824-2455.

Countywide Avian Project

In order to sell fryers at the fair, you do not have to own any chickens now. The fryers are bought 5 weeks before fair. In 5 weeks, they can gain 5 pounds. You only need a pen about 4'x6' to raise them and they don't get old enough to crow. They are a great project if you live in town. Since you don't have to train them and they take little care, they are a good project for busy and/or younger members. The Avian Project includes anything with feathers, so cagebirds (parakeets, cockatiels, parrots, etc.), gamebirds (doves, pheasants, pigeons, turkeys) and waterfowl (ducks & geese) are included. The first project meeting is **Monday, September 25**, 7:00 p.m., at the 4-H

Office. If you have any questions, please call Valerie Droddy at 865-2098.

Capay 4-H Club Meeting

The Capay 4-H Club meeting is on **Monday, August 28**, 6:30 p.m., at Capay School. We will be conducting our monthly meeting at this time and we will also be electing new officers for the club. If you are considering running for an office, please attend. We will also be having a New 4-H Member meeting on **Tuesday, September 5**, 6:00 p.m., at Capay School. Adults and youth who would like to join the Capay 4-H Club can receive information about our club at this meeting.

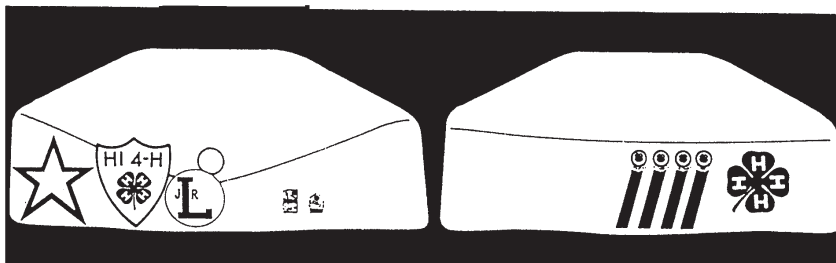

4-H Hat Information

Achievement pins are fastened to the service stripes, starting with the first-year pin next to the 4-H clover. The All-Star pin should be fastened to the center of the All-Star emblem. Medals may be worn on either side of the cap, but not too many of them. No other pins or ribbons should be worn on the cap. The cap should reflect the dignity of 4-H Club work, and not be cheapened by fastening to it every emblem, award, and ribbon won by the wearer. Keep your cap clean, especially when you wear it with the full uniform.

Your 4-H hat identifies you as a member of this national youth organization and serves to display many of your achievements. You may wear your hat to 4-H activities such as tours, meetings and field days. Items worn on your hat are: **STRIPES:** A service stripe is worn for each completed year of 4-H. A gold stripe is worn instead of the regular stripes for each completed year of Junior or Teen Leadership. Service stripes are worn on the right side of the hat behind the 4-H clover. **ACHIEVEMENT PINS:** Yearly pins are earned for each year of 4-H completed and fastened to the top of the service stripe. **STARS:** The Bronze, Silver, Gold and All-Star Emblems are worn on the left front of your cap. Only one star is worn at a time... the highest star earned. Other emblems such as Junior Leader and Hi 4-H are worn on the left side of the hat behind the star award. The Junior Leader emblem is worn only while the member is serving as a Junior or Teen Leader. An All Star pin should be fastened to the center of the All Star emblem. **MEDALS:** Other medals earned may be worn at the back of either side of the cap. Use discretion as to the number and kind of medals attached so you do not cheapen your hat.

The green hat is worn by members through eighth grade and the white hat is worn by members in the ninth grade and above.
